- 11.4 No later than the warning signal, the race committee signal boat will display the course to be sailed. Numeral pennant 1 will be shown for course Outer. Numeral pennant 2 will be shown for course Inner. The first race each day will be course Outer. The course to be sailed may change after a general recall.
- 11.5 The course may be shortened to finish at a rounding mark or a gate provided 4 or more legs have been sailed on an outer course and at least 3 or more legs have been completed on an inner course (excluding the leg between mark 1 and mark 1A).

- 12.7 The finishing marks will be committee boats or, a small yellow spar buoy at the port end and a committee boat at the starboard end.

13. THE START

- 13.1 To alert boats that a race or sequence of races will begin soon, the orange starting line flags will be displayed with one sound at least five minutes before a warning signal is made.
- 13.2 The warning signal for the subsequent starts will be made as soon as practicable after the previous start.
- 13.3 Start Sequence and Class Flags

Fleet	Fleet/Class Flag	Start Sequence

- 13.4 The starting line will be between staffs displaying orange flags on the starting marks.
- 13.5 (DP, NP) Boats whose warning signal has not been made shall avoid the starting area during start sequences for other fleets.
- 13.6 A boat starting later than 4 minutes after her starting signal will be scored DNS. This changes rules A4 and A5.

14. STARTING PROCEDURE

- 14.1 Races will be started using either rule 30.3 (U Flag Rule), or rule 30.4 (Black Flag Rule).
- 14.2 Rule 30.4 (Black Flag Rule) is supplemented as follows;
 - (a) Sail numbers will be displayed for at least 3 minutes. A long sound signal will be made when the numbers are initially displayed. A boat whose number is so displayed shall leave the racing area, defined in instruction 14.2(b) before the new preparatory signal. If she fails to do so, she is liable to be scored DNE.
 - (b) Before the starting signal, the racing area is the area within 100 metres of the starting line. After the starting signal, the racing area is the area within an imaginary line drawn 100 metres outside any point where a boat might sail during normal racing and includes the area bounded by marks 1, 2, 3 and 4 at all times when any boat of any fleet is still racing.
 - (c) When the race committee decides that its application of rule 30.4 might entitle a boat to redress under rule 62.1(a), it may decide not to display her sail number and not disqualify her. This changes rules 30.3, 60.2 and 63.1.
 - (d) For the purposes of rule 30.4 a race is 'restarted or resailed' when it has the same race number as a previously abandoned or recalled race, even if the race is resailed on a later date, or is resailed as part of a final series instead of a qualifying series.

15. CHANGE OF THE NEXT LEG OF THE COURSE

A change of the next leg of the course will first be attempted by changing the position of the original marks. When this is not possible the course will be reset using one or more change marks (described in instruction 12). When change marks are already in use, the course may be further reset using the original marks. Any action or no action by the race committee under this instruction will not be grounds for redress under rule 60.1(b).

16. ABANDONING A RACE

Under rule 32.1, the race committee may abandon the race because of a major wind shift or irregular winds or when the wind speed drops below 5 knots (2.5 m/s) as measured by the race committee. Any action or no action by the race committee under this instruction will not be grounds for redress under rule 60.1(b).

17. THE FINISH

The finishing line will be between a staff or the mast displaying an orange flag on a race committee boat at the starboard end and the finishing mark or the staff or mast on a boat displaying an orange flag at the port end.

18. PENALTY SYSTEM FOR BREACHES OF RULE 42

18.1 Appendix P will apply with the following changes:

- (a) If a first penalty is signalled after a boat has crossed the finish line, a scoring penalty of 10% rounded to a whole number (rounding 0.5 upward) of the number of entries will be added to the boats score. However, she shall not be scored worse than DSQ.
- (b) Rule P3 is replaced with "If a boat has been penalised for the first time under rule P1 and the race is restarted or resailed the penalty is cancelled, but it is counted to determine the number of times she has been penalised during the regatta. This changes rule 36."
- (c) Rule P4 is replaced with "An action by the jury under rule P1 shall not be grounds for a request for redress by a boat. The jury may initiate a redress hearing and may give redress for an action under rule P1 by a member of the jury or its designated observer". This changes rule 60.1(b).

18.2 A boat that has either retired from or been disqualified in a race for a second or subsequent breach of rule 42 shall not compete in that race if it is restarted or resailed. For the purposes of this instruction a race is 'restarted or resailed' when it has the same race number as a previously abandoned or recalled race, even if the race is resailed on a later date, or is resailed as part of a final series instead of a qualifying series. If she competes in that race, she shall be disqualified without a hearing and that score shall not be excluded (DNE) and the jury will consider calling a hearing under rule 69.1(a).

This means:

Yellow Flag	Immediate penalty action by boat	After a general recall or a postponement or an abandonment	No action by boat	After a general recall or a postponement or an abandonment
1st	Two turns / 10% (SI 18.1(a))	Can restart	DSQ	Can restart
2nd	Retire (RET)	Shall not restart	DNE	Shall not restart
3+	Retire (DNE)	Shall not restart	DNE Regatta	Shall not restart

19. TIME LIMIT

Boats failing to finish within 20 minutes after the first boat in her fleet sails the course and finishes will be scored Did Not Finish (DNF). This changes rules 35, A4 and A5. When the first boat needs more than 1 hour to complete the race the time limit will be set to 1/3 of the time needed by the first boat to complete the race.

20. PROTESTS

- 20.1 Protests shall be in writing and delivered within the protest time limit. Protests forms should be collected from and delivered to the Jury Room located just beyond the D'Oude Jachthaven restaurant entrance.
- 20.2 The protest time limit will be set by and posted on the official notice board by the jury and may be different for each fleet.
- 20.3 Protest notices will be posted within 30 minutes of the protest time limit for each fleet. Protests will be heard at the jury office.
- 20.4 Notices of protests by the race committee or jury will be posted before the end of the protest time limit to inform boats under rule 61.1(b).
- 20.5 If rule N1.4(b) applies, the time limit for requesting a hearing under that rule is 30 minutes after the party was informed of the panel's decision.
- 20.6 On the last day of the qualifying series a request for a reopening of a hearing under rule 66 shall be delivered:
 - o within the protest time limit if the party requesting reopening was informed of the decision on the previous day;
 - o no later than 30 minutes after the party requesting reopening was informed of the decision on that day.
 - o If no racing has taken place on that day, no later than 30 minutes after 'AP over A' is displayed ashore.
- 20.7 On the last scheduled day of racing, a request for redress based on a jury decision under rule 62.2 shall be delivered no later than 30 minutes after the decision was posted.
- 20.8 Decisions of the jury will be final as provided in rule 70.5.
- 20.9 To request correction of an alleged error in posted race or series results, a boat shall complete a scoring enquiry form available at the race office.
- 20.10 A list of boats that, under instruction 18, have been penalised for breaking rule 42 will be posted after racing each day.

- 22.2 When from four to nine races have been completed one race score will be excluded.
- 22.3 When ten or more races have been completed two races scores will be excluded.
- 22.4 When a qualifying/final series is sailed:
 - (a) The qualifying series races and the final series races will count for total points in the championship.
 - (b) A qualifying series race will not count until all qualifying series fleets have completed that race.
 - (c) One qualifying series race score will be excluded when calculating the division into final series fleets.
 - (d) If only one final series race is completed it will not be excluded.
 - (e) If two or more final series races are completed then a maximum of one final series race score may be excluded.
 - (f) For the purposes of rule A4.2 "Scoring" the number of boats entered into a qualifying/finals series race will be the number of boats assigned to the largest qualifying fleet.

Addendum 1

Racing Area

Harbour Map and Locations

International Laser Class Association Qualifying and Final Series Formats

1. Introduction

- 1.1 This addendum applies when boats are divided into fleets to sail a qualifying series and a final series.

2. Qualifying Series

- 2.1 For the qualifying series boats will be assigned to fleets of, as near as possible, equal size and ability.
- 2.2 Initial assignments will be made by a seeding committee appointed by the organizing authority and will be posted by 2000 on the last day of registration.
- 2.3 Where a practice race is scheduled the organizing authority will post a practice race fleet assignment at 0900 on the day of the practice race.
- 2.4 In the qualifying series boats will be reassigned to fleets after each day of racing, except if on the first day only one race is completed. If all fleets have completed the same number of races, boats will be reassigned on the basis of their ranks in the series. If all fleets have not completed the same number of races the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets.
- 2.5 Reassignments will be made as follows:

	Two fleet format	Three fleets format	Four fleets format
Rank in Series	Fleet Assignment	Fleet Assignment	Fleet Assignment
1 st	1	1	1
2 nd	2	2	2
3 rd	2	3	3
4 th	1	3	4
5 th	1	2	4
6 th	2	1	3
7 th	2	1	2
8 th	1	2	1
9 th	1	3	1
And so on			

- 2.6 Reassignments will be based on the ranking available at 2100 that day regardless of protests or requests for redress not yet decided.
- 2.7 If all fleets have not completed the same number of races by the end of a day, the fleets with fewer races will continue racing the following day until all fleets have completed the same number of races. All boats will thereafter race in the new fleets.
- 2.8 If four races have not been completed on the last scheduled day of the qualifying series, the qualifying series will continue until the end of the racing day in which a fourth qualifying race is completed.
- 2.9 If at the end of the qualifying series some qualifying series fleets have more race scores than others, any extra races will be abandoned so that all boats in the qualifying series have the same number of race scores.

3. Final Series

- 3.1 Boats will be assigned to final series fleets on the basis of their ranks in the qualifying series.
- 3.2 There will be the same number of fleets in the final series as there were in the qualifying series.
- 3.3 The final series fleets will be, as nearly as possible, of equal size but so that the Silver fleet is not larger than the Gold fleet and the Bronze fleet (where it exists) is not larger than the Silver fleet and the Emerald fleet (where it exists) is not larger than the Bronze fleet. Boats with the best qualifying series ranks will race all final series races in the Gold fleet; boats with the next best qualifying series ranks will race in the Silver fleet; boats with the next best qualifying series ranks will race in the Bronze fleet (where it exists); and boats with the next best qualifying series ranks will race in the Emerald fleet (where it exists).
- 3.4 Any recalculation of qualifying series ranking after boats have been assigned to final series fleets will not affect the assignments except that a redress decision may promote a boat to a higher fleet.
- 3.5 Different final series fleets need not have completed the same number of final races. The boats in the Gold fleet will be ranked highest, except for a boat disqualified from a final series race under rules 5 or 69.
